It is a residential area with lots of green spaces for sport and children's recreation.</p> <p>Located in the municipal district No. 7, the neighborhood is classified as medium-high socioeconomic status. Most of the residents are skilled workers.</p> <p>Since the 1990s, the area has become the sports center of the city with the construction of the Aquatic Center, the José María Martín Carpena Sports Palace, and the City of Malaga Athletics Stadium. In addition, we are very close to the Provincial Civic Center, headquarters of the Provincial Council of Malaga, and the monumental Tabacalera building, which houses the headquarters of the Collection of the Russian Museum Saint Petersburg and the Automobile Museum of Malaga, as well as some dependencies of the municipal administration.</p> <p>Additionally, this area offers good health facilities, libraries, leisure facilities and municipal green areas: Parque del Oeste and Parque Litoral.</p>

Accommodation - Where to live in town? - Possibility of staying with a family? - Possibility of sharing a flat with teachers?	There are many places to look for housing options. If you are thinking of sharing an apartment, Facebook groups are a good place to start. The most common options are sharing with Erasmus students, University of Málaga students, or other auxiliaries. (Try Erasmus Málaga, Auxiliares in Málaga, Alquiler en Málaga, Busco/Alquilo piso en Málaga para estudiar, etc.) Popular Housing Websites: <ul style="list-style-type: none">- https://www.milanuncios.com/pisos-compartidos-en-malaga-malaga/- https://www.idealista.com/ Live/Work as an Au Pair: <ul style="list-style-type: none">- https://www.aupair.com/- https://www.aupairworld.com/ Pro tip: Do NOT send payment for an apartment you have not seen yourself.
